

March 22, 2020

Dear Valued Customers,

On the evening of March 22nd Dallas County Judge Clay Jenkins announced the commencement of a Shelter-In-Place order for Dallas County. All non-essential businesses to include AERISTO will be required to close as of March, 23rd.

The order is to run through April 3rd, at which point it may be extended further depending on the development of the COVID-19 virus in North Texas and the United States.

We regret to inform of this unfortunate news and will be keeping our website up to date with the latest information regarding this government mandated closure. Please visit us at www.aeristo.com for periodic updates.

During the closure we welcome you to send us any questions you may have; please feel free to submit via normal email channels and we will do our best to get back to you with relevant and factual information.

While the weeks ahead will prove to be challenging times for all of us, AERISTO would like to wish good health and safety to all our customers, friends, their families and everyone else in the industry. We look forward to getting this behind us and returning to business as usual as soon as possible.

Best regards,
